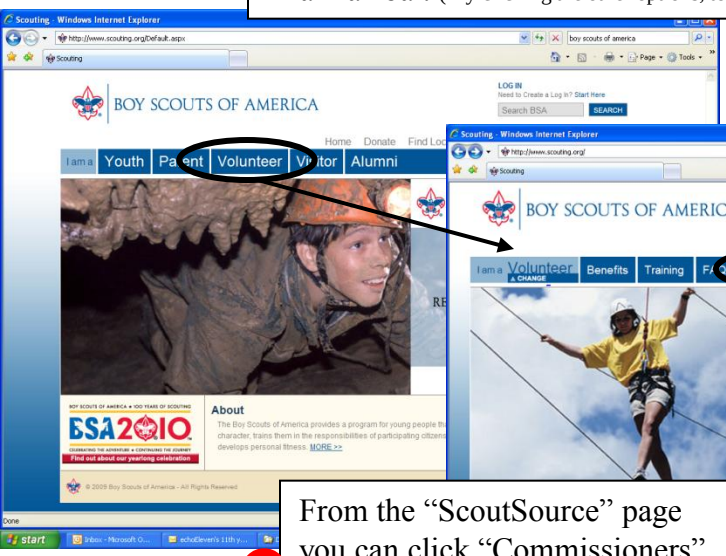
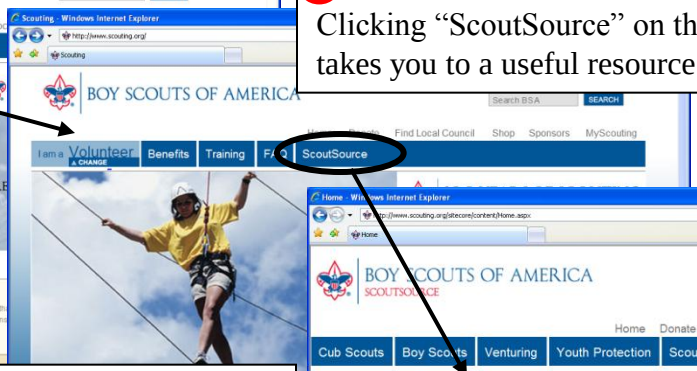
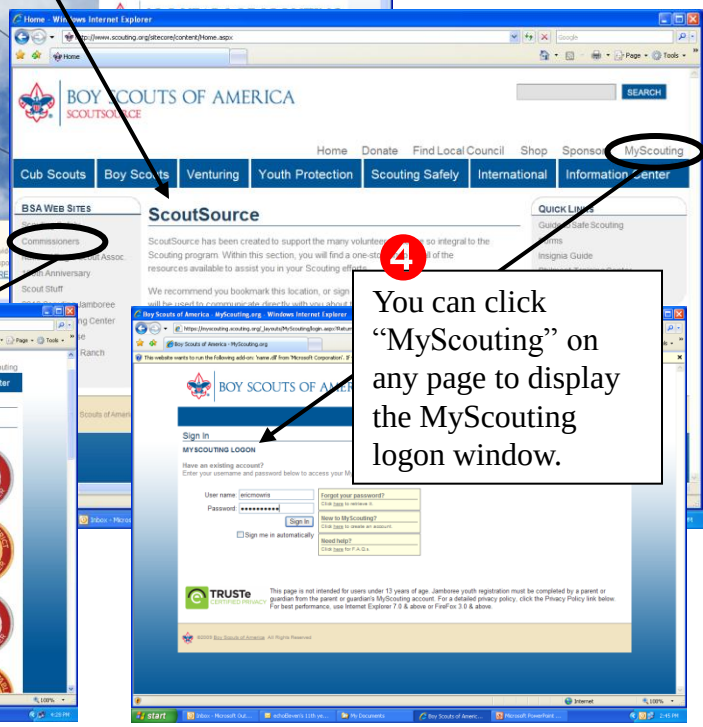
And Setting Up Your MyScouting Account

1. Go to www.scouting.org and click "Volunteer" on the "I am a" bar. (Try clicking the other options, too, when you have time.)

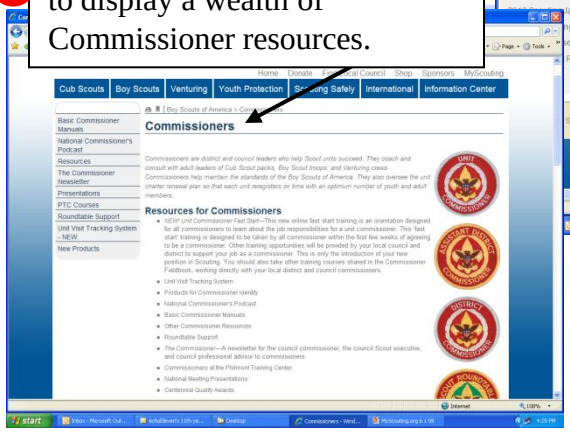


2. Clicking "ScoutSource" on the Volunteer page takes you to a useful resource page for Scouters.





3. From the "ScoutSource" page you can click "Commissioners" to display a wealth of Commissioner resources.



4. You can click "MyScouting" on any page to display the MyScouting logon window.

5. If you have already created a MyScouting account, enter your logon "User Name" and "Password". To create a new account, follow these simple steps:

- Click "here" under "New to MyScouting".
- Enter a User Name. Be sure to observe the specifications provided.
- Click "I am a member" when prompted. Then click OK.
- Select "Atlanta Area Council" from the drop down list. Also enter your Member ID Number from your B.S.A. registration card, if available. (If not available, you can enter this information at a later time. However, to proceed you should click on "I am not a member" and then click OK.)
- Enter Profile Information in the fields, as indicated and then click "Create User".
- Check your e-mail for a message with a link to login and set your password.
- Follow the link or instructions to complete your logon, using the password you have indicated in the preceding step.

Congratulations! You are now a registered user of MyScouting. If you have not yet entered your Member ID Number, please do so as soon as possible.
